SRKR Engg College inks MoU with Blackbuck Engg Co.

New News Bureau
Bhuvaneswar
 SRKR Engineering College has signed a Memorandum of Understanding (MoU) with Blackbuck Engineering Co. Ltd. The MoU aims to foster collaboration in research, development, and skill training. The agreement was signed by the college's Vice-Chancellor and the company's Managing Director. The MoU covers areas like joint ventures, consultancy, and training. The college will benefit from the company's expertise in various engineering fields. The company will provide the college with state-of-the-art equipment and facilities. The MoU is a significant step towards enhancing the college's infrastructure and providing students with practical training. The college's Vice-Chancellor expressed his satisfaction with the MoU and his confidence in the company's commitment to education. The company's Managing Director also expressed his confidence in the college's ability to provide quality education. The MoU is expected to be implemented soon.

The Buckans

The Core Values and Principles that Drive Us

Be Passionate about Client's Success

We succeed when we make our clients successful. We collaborate to sharpen our insights and amplify this success. We execute with excellence. Always.

Cultivate trustworthiness in every action

Trustworthiness is our core and is the basis of everything. It is about delivering on our commitments. It is about honesty and fairness in action. It is about being ethical beyond any doubt, in the toughest of circumstances.

Drive with extreme efficiency

When valued, efficiency is what will allow us to collectively create a better work environment that delivers results. Efficiency means our clients receive a better result and we achieve better work/life balance.
